- Future Events

Future Events

- Managing Change and Transition by Dr. Ben Bissell
  - Base Theater, 23 October 2001
    - 0800 – 0930 or 1300 – 1430
    - Open Seating - All Edwards AFB personnel and spouses are invite to attend.
    - Dr. Ben Bissell, nationally acclaimed speaker, writer, teacher and businessman whose comic wit and common sense approach are enhanced by his years of training and experience with corporations and organizations.

Future Events

- Managing Change and Transition Dr. Ben Bissell
  - Change is inevitable but manageable. Learn how to identify the five stages of change and how to guide employees through uncertain times which produces stress. This presentation is designed to help one learn to discover limits and recognize unique body signals and symptoms in order to overcome negative stress.

Future Events

- Managing Change and Transition Dr. Ben Bissell
  - Keys to managing Change:
    - We are not victims; we are pioneers
    - Increase information flow
    - Clarify information regularly
    - Increase the *quality* not quantity of your listening
    - Develop healthy ways to express anger
    - Take good care of yourself both physically and emotionally

For more information on Dr Bissell, see http://www.BenBissell.com/
POC for these presentations is Dwana Broussard, 95 MSS/DPET, 7-4953
